REMARKS

Review of the claims following receipt of the Notice of Allowance indicates that claims 138, 143 and 144 did not have proper language to provide a proper antecedent basis from prior claims from which they depended. In addition, claim 142 contained unnecessary language. Entry of the above amendments is respectfully requested to provide proper reference to antecedent language in the claims from which claims 138, 143 and 144 depend. In addition, amendment of claim 142 for clarification purposes is also requested.

Since the present amendment relates to matters of form only, and does not require any further search on the part of the Examiner, it is respectfully submitted that it is proper for entry and such entry is requested along with a notice of approval of the amendment.

Respectfully submitted,

JEFFREY A. LEWNO
